vitro Italian Bathrooms Catalogue Provides fascinating models
which make you more comfortable in choosing
your bathroom ceramic collection.

vitro–Egypt is a member of Vitruvit – Italy Group, which has been producing sculptures for bathroom fixtures for over 60 years in Italy. Its designs fulfill the dreams of young architects and their revolutionary imaginations.

vitro was established in Egypt in 2013, with its factory operating at north east of Cairo. The company applies modern concepts to bathrooms, and has production capacity of one million pieces of high-quality vitreous china bathrooms annually. **vitro** is planning to reach two million pieces by the end of 2017.

Our mission is to be the best solution provider of top quality products, serving both the Egyptian and global markets, and to achieve excellence in customer service.

Our customers are the real owners of the company. We will not save any effort to support our customers, whether they are trade partners, professionals or end-users. We will always be ready to serve our customers anywhere and anytime.

Our products come with lifetime guarantee against manufacturing defects. Moreover, we provide genuine replacement parts for any maintenance needed in the future.

Our products conform to the latest international standards. **vitro** is certified ISO 9001-2008, ISO 14001-2004 and OHSAS 18001-2007

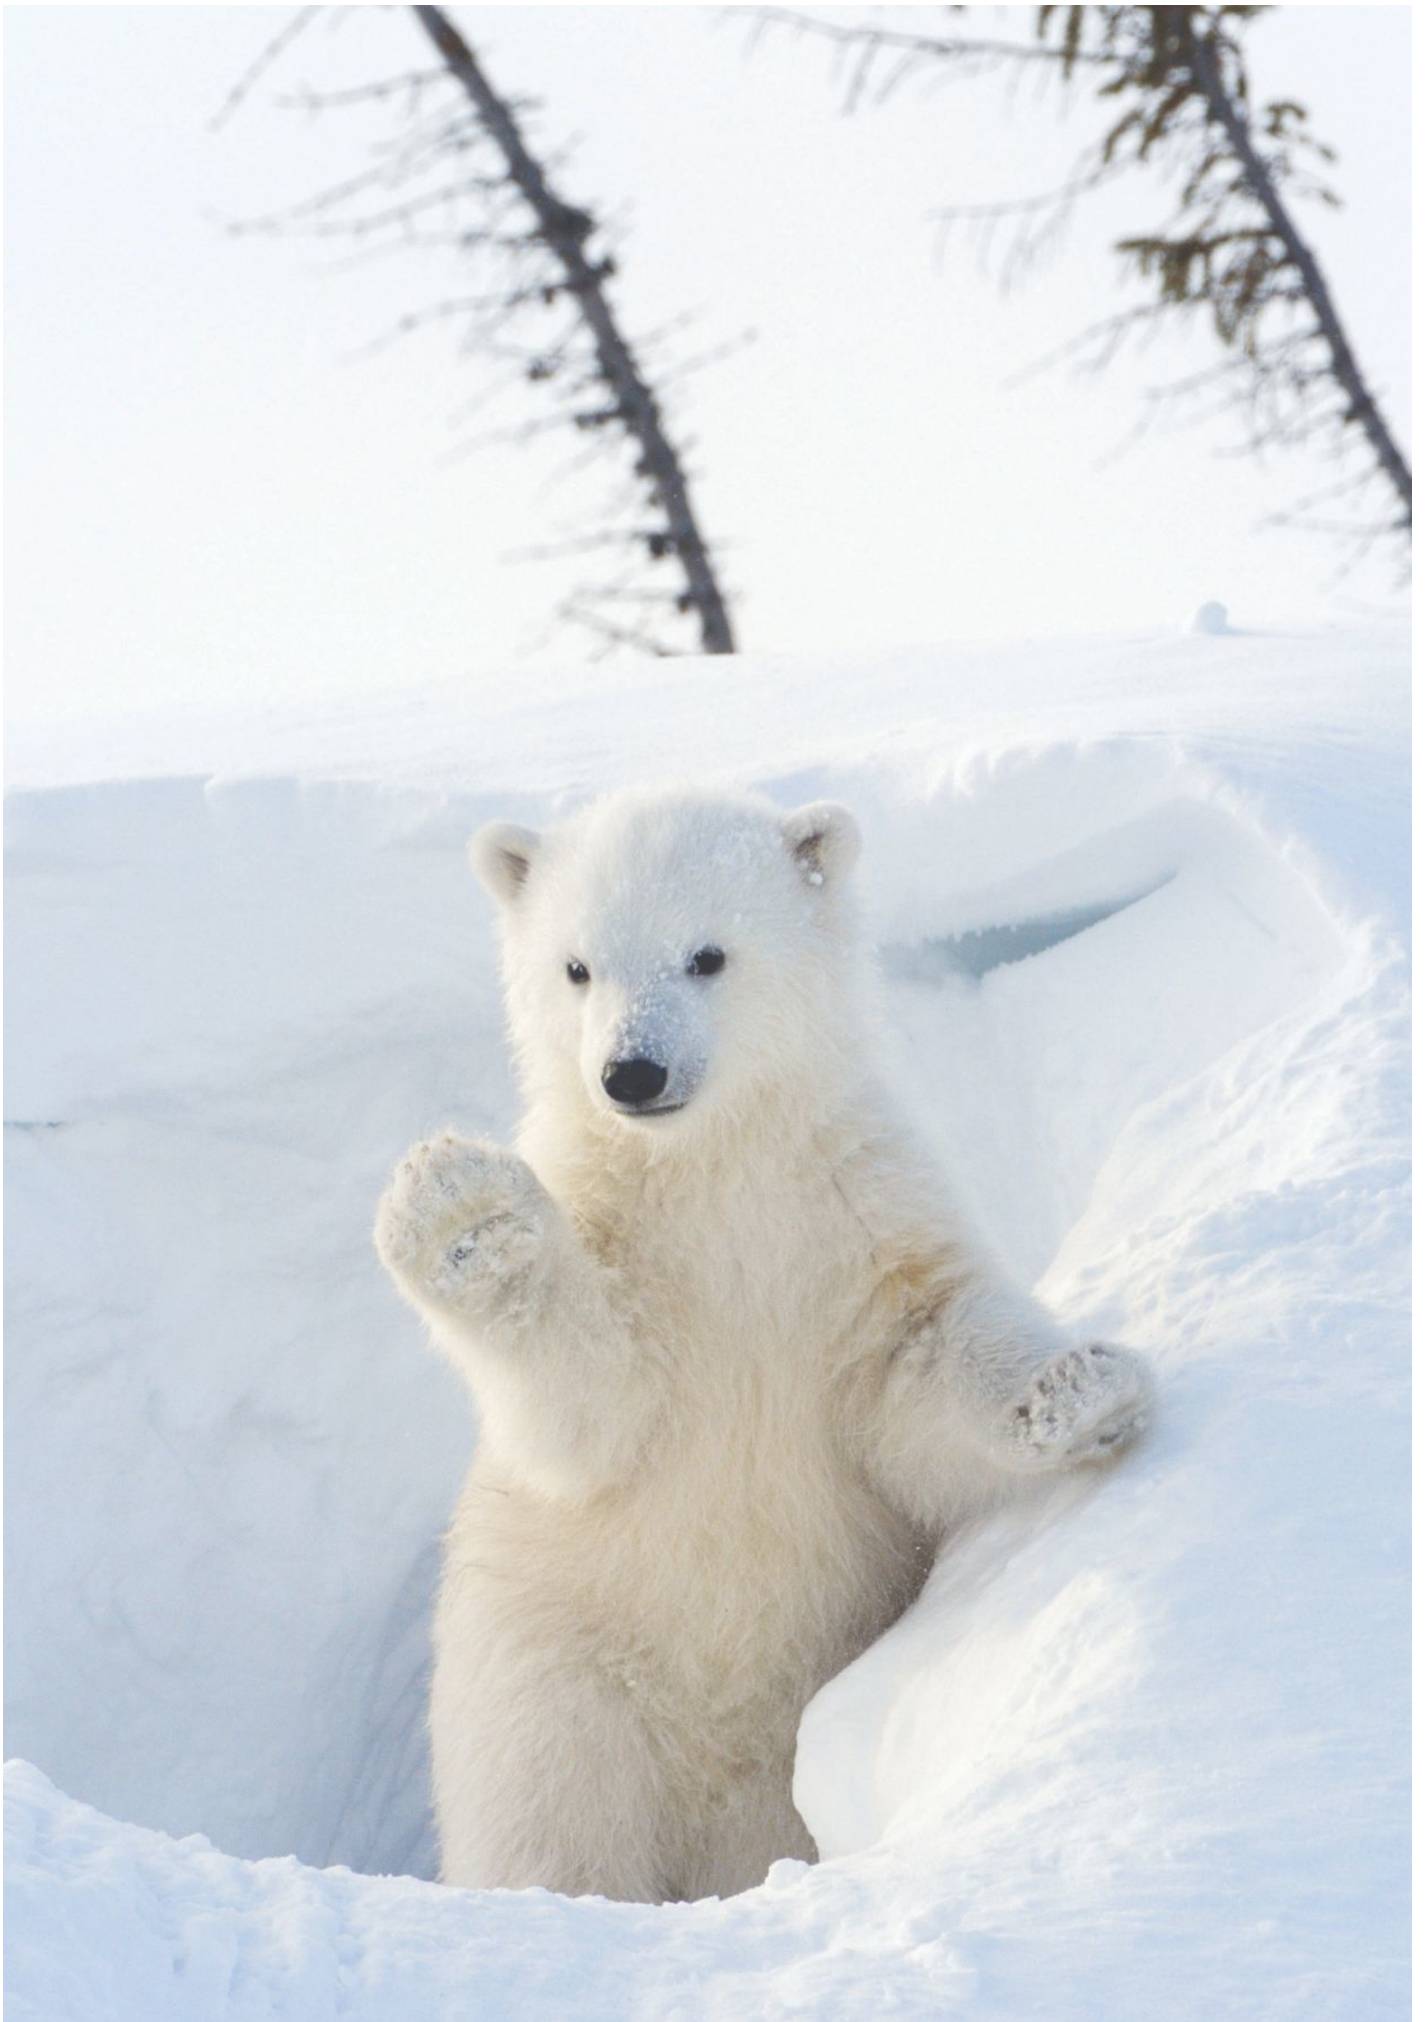

A photograph of a snowy mountain landscape. The foreground is a vast, smooth expanse of white snow. In the middle ground, a dark, coniferous tree stands against a pale, hazy sky. The overall scene is bright and serene, suggesting a winter or high-altitude environment.

Save water..Save environment

vitro aim to be a leader in saving water technology, Saving water become an essential Due to continues decrease in fresh water supply all over the world and with rapid increase of water cost .

vitro new water saving technology applied in our Flushing Mechanisme , it saves almost 40% of water consumption used for flushing compared to similar products, which gives our products advantage specially for projects in remote touristic areas.
